EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. William Blackman on February 10, 2005.

The application has been amended as follows:

IN THE SPECIFICATION:

Page 1, line 5, after "2002", --, now abandoned-- has been inserted.

IN THE CLAIMS:

Claims 1-5, 21, and 23 have been cancelled.

Claim 6, line 11, after "member", and claim 22, line 11, after "another", --; wherein the reinforcing member is more than twice as thick as the outer layer-- has been inserted.

Claim 12, line 6, "substantially permanently", has been changed to --valveless--.

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of claims 6, 12, and 22, is the inclusion of a valveless sealed envelope, and a bottom reinforcing member denser than the foam of the top layer and more than twice as thick as the outer layer. The prior art of record fails to teach or suggest the claimed feature absent the applicant's own disclosure.

Art Unit: 3634

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
